Moisture	≤ 5 %
pH	7 - 8 (1% in water)
Solid content	95 %

Notes:

Typical Data are based on our own measurements or derived from the literature. They do not constitute part of the delivery specification.

Storage

Do not expose open containers to high humidity as that can cause the product to encrust and harden. If encrustation happens it does not have a negative effect on the performance of the product.

All information concerning this product and/or suggestions for handling and use contained herein are offered in good faith and are believed to be reliable. Nouryon, however, makes no warranty as to accuracy and/or sufficiency of such information and/or suggestions, as to the product's merchantability or fitness for any particular purpose, or that any suggested use will not infringe any patent.
